

## EQUAL OPPORTUNITIES EMPLOYMENT POLICY

### Introduction

- 1 Scottish Swimming recognises the value and importance of promoting equal employment opportunities for its current and future workforce. This organisation accepts that, in addition to fulfilling its moral and legal responsibilities, equality of opportunity in employment will enable Scottish Swimming to make the most effective use of its staff in the provision of high quality services to the Scottish community. This organisation wishes therefore to adopt employment practices which are based on the merits, abilities and potential of individuals and avoid conditions or requirements which cannot be justified by job needs.
- 2 The purpose of this policy is to provide a framework for the provision of equal employment opportunities within Scottish Swimming and the elimination of unlawful, unfair and inappropriate discrimination. The policy will be supported by other associated policies and procedures dealing in detail with specific employment practices.

### General Statement of Policy

- 3 Scottish Swimming is committed to achieving equality of opportunity in employment and eliminating discrimination in all its forms including discrimination on the grounds of sex, race, disability, age, gender identity, sexual orientation, marriage and civil partnership, pregnancy and maternity, religion or belief.
- 4 Scottish Swimming recognises that existing and future anti-discrimination legislation provides a statutory framework for the enforcement of equal rights. Scottish Swimming wishes, however, to address all forms of discrimination which prevent equality of opportunity, whether or not they are unlawful.
- 5 To achieve its aims, Scottish Swimming is committed to an ongoing programme of action and will make available resources to implement the policy.
- 6 Where appropriate, positive action measures will be introduced to assist disadvantaged groups as provided for under relevant legislation.

**This policy/function will have no impact on people from any of the equality groups and an Equality Impact Assessment is not required**
