- Withdrawals from Finals** Swimmers who wish to withdraw from a Final must inform the recorder and complete the withdrawal form no later than 30 minutes after Finalists lists have been published or announced. Withdrawals from finals or in the case of illness should be completed on the old style withdrawal forms available from the recorders.  
Any competitor withdrawing from a final in such a manner as to prevent a reserve taking part (except in the case of proven illness or emergency) shall be suspended immediately from all further events at the Meet. In the event that a qualifier for a B final is promoted to swim in the Open Final the space they vacate shall be filled by a reserve from the B final in turn.

**Accreditation** Free poolside passes will be issued to clubs for coaches and team managers. 2 passes will be issued for the first 10 swimmers and 1 more for each 10 swimmers attending the meet.

All clubs are required to declare that the passes will be issued only to members of their club who are members of the PVG scheme. Please note that poolside passes do not entitle staff to meals. Meal tickets must be purchased separately.

**Relay Awards** Each team establishing a North District Open or Junior record will be awarded the sum of £50. There are no North District records yet established. 😊

**Grand Prix** The Scottish Swimming Grand Prix Series 2013/2014 comprises three meets. The North District Grand Prix 2014 is the final round of the Scottish Swimming Grand Prix 2013/2014 Series.

**Grand Prix Scoring and Prize Money**

The Grand Prix has 6 categories (3 male, 3 female) plus 2 overall winners (1 male, 1 female). Categories are as follows;

- Sprint – 50m and 100m events
- Middle Distance – 200m and 400m events
- Distance – 400m, 800/1500m events

Overall – Best male and female across each category.

FINA points tables will be used as the basis for deciding the ranking of swimmers at each meet of the series, according to each swimmer’s performances or best performances (if they are entered in more than one race at each distance).

Swimmers will be awarded FINA points scores for;

- Sprint – best 50m event plus best 100m event
- Middle Distance – best 200m event plus best 400m event
- Distance – two best events from 400m, 800m or 1500m events

Swimmers will score FINA points per event, and the top sixteen (16) swimmers will be allocated meet points for each of the respective Grand Prix meets. FINA points will only be ascribed to the swimmer’s last swim in the event. Where a swimmer makes a final, the FINA points score from the heats will be disregarded. If a swimmer is disqualified for a rule infringement from either heats or finals the swimmer will not score any FINA points for that event. If a swimmer withdraws from a final they will not score any FINA points for that event.

Swimmers will be ranked at each meet of the series according to their combined best points scored at that meet. Points will be awarded to the top sixteen (16) male and female swimmers. Each swimmer will be ranked once, with points awarded in each event as follows;

Meet Ranking	Points
1st	24
2nd	20
3rd	16
4th– 16th	13 to 1

Swimmers will score cumulative category points across all three Grand Prix meets and will be eligible to score in all categories at all meets. Swimmers will only be eligible for prize money in one category (that in which they are positioned highest, or in the event of equal positioning in more than one category, that in which they have scored the highest FINA points) after the third Grand Prix meet. To be eligible for a category award, swimmers must have competed in at least two of the three Grand Prix meets. In the event that a top three swimmer is ineligible for prize money in a category, the prize money will be awarded to the top three eligible swimmers.

The male and female category winners with the highest points scored, in their winning category only, shall be declared the overall winners. In the case of a tie, the swimmer with the best combined FINA point score in any one round will be declared the winner.

FINA points will be calculated using the most recently published FINA point tables, as released by Hi-tek into their Meet Manager system, at the date of each Meet.

### **Prize Money**

Total prize money fund - £5,000. Prize money will be awarded to both men and women in each category as follows:

<b>Overall Ranking</b>	<b>Prize</b>
<b>1st</b>	<b>£300</b>
<b>2nd</b>	<b>£200</b>
<b>3rd</b>	<b>£100</b>

The overall male and female winners will be awarded £700 in addition to their category prize, making the total pot for category and overall winner £1,000.

Any queries about the Grand Prix scoring / prize structure should be addressed to Scottish Swimming.

Information about the leaders after the first two rounds can be found on the Scottish Swimming website – [www.scottishswimming.com](http://www.scottishswimming.com)

*SW6.5 Where the Referees in charge agree that there were sufficient Swimming Technical Officials present to ensure adequate cover in any session, an official might be mentored at the next level for which they were training without incurring a penalty for that session, even although this may technically leave their Club short of the numbers required to meet SW6.2. Officials carrying out scheduled Final Assessments will count at their existing level.*
