

Scottish Swimming

Membership Check

As a member, some of your personal information will automatically appear on the online membership checker (<https://www.scottishswimming.com/membership/membership-check.aspx>) as detailed in Scottish Swimming's privacy policy. This allows officials to confirm that you are a member of Scottish Swimming when competing, officiating or applying for funding for courses. The information that is available to the general public is: name, membership number, clubs that you are a member of, gender, membership category and country of international representation.

Rankings system

All swimmer's information will automatically appear on the British Swimming Rankings Website (<http://www.swimming.org/britishswimming>). This is where details of your achievements in events will be included; these will be available to the general public.

To Opt Out

Before you opt-out of this, please see the important word of caution below. If you do not want your details to be visible on the rankings or the membership checker please go to your profile, and go to the preferences tile. You can then hide your details by ticking the box marked "opt-out of membership check and rankings system". Alternatively send an email to info@scottishswimming.com with your request to hide your details.

Caution – If you 'hide' your details they will not be visible on the Rankings Database or the online membership checker - **this may affect your ability to enter events**. Event organisers may in these cases require proof of age and/or of eligibility to enter and you should contact the particular organiser to check.
