

Existing/New Members – How do I login?

1. **Existing Members - How do I log in? Follow this link:- www.scottishswimmingmembers.com**
 - In the Member Login section type in your User Name and password in the appropriate fields and click Login

2. **What do I do if I don't know my password?**

- Type your User Name into the username field and click on Forgot password. An email (check 'Junk' folder) will be sent to the email address held on your member/user record (if your email is correct) containing a password reset link. Your username is normally your Email Address or Membership Number
- Click the link in the email and you will be able to reset your password

3. **What do I do if I don't know my User Name?**

- Your User Name should have been notified via email. If you registered on the Membership system yourself you would receive an email automatically. If Scottish Swimming added you to the system they should have triggered an email notification
- If in doubt please contact info@scottishswimming.com to confirm your User Name, **please do not sign up again** if you have already been a member of Scottish Swimming as this will create a duplicate record and cause problems with the Rankings system
- Note – Scottish Swimming cannot see your password so will not be able to advise that, they can trigger the password reset process which is the same process that would happen if you click Forgot password yourself

4. **New Members**

- Please select 'Sign Up'

5. **Select Club:-**
