- At the Midlands event, due to the age groupings for the Swim England OW Nationals, the Grand Prix points for the single swim in which the swimmer achieved their highest placing will be awarded.
- Only points from an individual's best 4 events count towards their total.
- Junior swimmers competing in open events are not eligible for senior Grand Prix points.
- In the event of a tie on points, the higher placing will be given to the swimmer with the greater number of points from in the Scottish Championship events irrespective of whether these were part of the 4 counting swims. If this still results in a tie the higher placed swimmer in the 5 km event will be given the higher placing.
- If any of the events are cancelled for whatever reason, no points will be awarded.
