

March 2019

To: Clubs

Dear Club Secretary

Insurance with effect from the 1st April 2019

Following up on some recent enquiries I would like to take the opportunity to clarify the insurance implications for those members that have reached the age of 85.

I can confirm that all Scottish Swimming Registered members are only insured for Personal Accident up to the age of 85 which is the maximum age limit set by the insurers; however, there are no issues with the Liability cover, as this does not hold any age restrictions. I can advise that the underwriters will not increase the maximum age limit for Personal Accident beyond 85.

The Liability Insurance includes cover for public Liability and professional indemnity – if a member has injured someone else / caused financial loss and has been negligent then the liability insurance provides cover for defence and compensation awarded for the injury, loss or damage to third parties and/or their property.

Every March an Insurance Summary of Cover is sent out electronically with a hard copy posted to clubs. The document is available to download from www.scottishswimming.com. The detail within the Brochure does not mention age for Civil Liability as there is no age restriction; however, I have quoted the personal accident section below:

Personal Accident

This provides automatic compensation, irrespective of who is to blame, following an accident to a member whilst they are participating in any activity approved by the ASA, SASA & WASA. primarily being approved and Swimming and Aquatic Sports. Cover is worldwide and includes organised travel [to such an event] within the United Kingdom.

The benefits are:
