John Gunning Awards 2021

Following on from a fantastic Olympics and with much of our sport now getting back to the water Board took the decision to seek Award nominations for this year. They will meet in early September to decide on how and when the Awards will be presented. Whilst we recognise the event cannot follow that of recent years, we will look to ensure we celebrate and appropriately recognise the achievements of our athletes and volunteers and aim to be inclusive as possible.

The John Gunning Award for Volunteer of the Year is presented in recognition of the contribution and dedication of individuals who give of their time so generously and are committed to help make our sport the success it is today. The criteria for nominations is linked to consistent and continuous voluntary contribution in the last year, the nominee can contribute at grass roots through to elite level and demonstrate they have participated at District events. Nominees must reside in Scotland.

Our sport relies on thousands of such volunteers across the country and we appreciate that to select one from such a devoted group will be extremely difficult.

Should you wish to nominate an individual for a volunteer award, I would be grateful if you could complete the enclosed form and submit it to your District Secretary via email no later than **16th September 2021**.

I would remind you that the person or body making a nomination is required to ensure that the nomination details remain confidential and are not divulged to third parties, including the nominee prior to nominations being considered by the District Executive.

Yours faithfully
