Dear Colleague

### **Nominations for Awards – Open Water**

Following on from a fantastic Olympics and with much of our sport now getting back to the water Board took the decision to seek Award nominations for this year. They will meet in early September to decide on how and when the Awards will be presented. Whilst we recognise the event cannot follow that of recent years, we will look to ensure we celebrate and appropriately recognise the achievements of our athletes and volunteers and aim to be inclusive as possible.

In order to allow Board to consider the nominations for Open Water you are asked to submit your nominations for the Denis Sullivan Memorial Trophy and the Eian Prentice Memorial Junior Award **by 16<sup>th</sup> September 2021, ref C11.4.5/6** to Richard Collins, Open Water Chair.

Scottish Swimming has also introduced Achievement and Commendation Awards which can be awarded at any time. These certificates can be awarded to people who perhaps do not meet the criteria for one of the annual awards but you feel is still worthy of recognition.

I would remind you that the person or body making a nomination is required to ensure that the nomination details remain confidential and are not divulged to third parties, including the nominee prior to nominations being considered by Board.

The decision of Board on which nominees are to receive awards is final and no correspondence will be entered into before or after Board have made their decision.

Please detail your nominations on the enclosed form and complete the citation form/s with an account of the achievements of the nominee/s during the year, which will help Board when making their decision

Yours faithfully

Elaine Mackenzie
